

# How to Earn Pins for Your Quilts and Sewing Projects

When you show your completed quilt or project at Show & Tell you earn Pin Points. When you earn 10 pin points, you qualify for a decorative lapel pin to wear on your name tag. Purses and clothing will also earn you pin points.

**\*\*All items shown must be completed...unless...the item will leave your possession before the next meeting (a quilt still needs binding but is a gift that will be mailed before next meeting). You may not show in process quilts at Show & Tell. Leadership reserves the right to limit the number of items shown at any meeting to three if time is a factor.\*\***

Measure your quilt along 2 adjacent sides (down the length and across the width). Put these measurements on the Show & Tell Form. Give the Show & Tell Form to the Pin Chair when you show your item at Show & Tell.

The Pin Chair keeps a record of pin points earned and will notify you when you have earned a lapel pin.

## To better understand the Pin Points

When you add the two measurements together you get the total number of inches. Consult the chart below to see how many pin points your quilt/project has earned.

For instance, if you complete a quilt that measures 45" x 36", the total inches in length and width is 45+36 or 81 inches. That quilt would earn you 5 pin points.

The Pin Chair has guild pins for sale for \$5 and Limited Edition 30<sup>th</sup> Anniversary Pins for \$10. Show your AIQ pride and wear your AIQ pin.

Quilt Measurement (1 Length + 1 width)	# of Pins Awarded
1 - 12 inches	1
13 - 32 inches	2
33 - 52 inches	3
53 - 72 inches	4
73 - 92 inches	5
93 - 112 inches	6
113 - 132 inches	7
133 - 152 inches	8

Quilt Measurement (1 Length + 1 width)	# of Pins Awarded
153 - 172 inches	9
173 - 192 inches	10
