Slab building

with Barbara Tucker

Bring more scraps, lots of them

Presort scraps by color.

Selvage exchange

Bring selvages from your stash to exchange. There is no limit on this exchange/trade you will take home as many as you bring!

There are many things to make with selvage strips
Books, Arrows, Baskets, Spools, Blocks

For Books:

Cut 2 selvage strips. 1 3/4" x 12"

One strip should have book title, second strip can either be the selvage or a strip of the fabric to be on the other side of the title piece. These are a generous size and can be trimmed down later for a shorter or thinner book.

For Spools:

Cut 1 selvage strip 4" x selvage PLUS a 1/4" for seam

You can use titles or dots. The final size of the spool center will be 3 1/2" unfinished. The whole spool block will be 6 1/2" unfinished
